

The Perry lithographs were bound into the narrative of the expedition printed in 1856 and 1857. This page provides a listing of the lithographs published in the narrative.

The listing below is from Volume 1, *Narrative of the Expedition of an American Squadron to the China Seas and Japan, Performed in the Years 1852, 1853, and 1854, under the Command of Commodore M.C. Perry, United States Navy*. The number to the right is the page number actually published in the listing. The lithographs were unnumbered and found after of before the page number listed. The names after the titles are the artists (Heine, Peters etc) or photographer (Brown) the image is attributed to.
